FAQs

Who is a participating dentist?

A participating dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members.

Can I find out what my out-of-pocket expenses will be before receiving a service?

Yes. You can ask your dentist to get a pretreatment estimate from Horizon. Your participating general dentist or specialist will send Horizon a plan for your care and will request an estimate of benefits. The estimate helps you prepare for the cost of dental services.

Do I need an ID card?

No. You do not need to present an ID card to confirm that you are eligible. You should notify your dentist that you are enrolled in the Horizon PPO plan.

May I choose a non-participating dentist?

The Horizon PPO plan offers coverage for both in- and out-of-network dentists. Out-of-network providers are paid on a maximum allowable charge fee schedule.

How do I find a participating dentist?

To locate a participating provider, please utilize the doctor finder at horizonblue.com/doctorfinder or by calling **1-800-4-Dental**. Simply log in or continue as a guest, select dental, select the Horizon PPO plan, input any location nationwide, select the dentist, specialty or group practice and the results will automatically generate based on the network(s) your plan belongs to.
