This is only a partial list of vision services. Your certificate of benefits will show exactly what is covered and excluded.

Contact lenses from Davis Vision's Collection are available at most private practice locations with Full Feature and Materials Only plans. Contacts from the collection are covered in full including fitting and evaluation, in excess of the plan's materials copay. Elective contacts that are not part of the Collection are covered up to the plan's elective contact lens allowance and the materials copay is waived.

*Additional discounts are not available at all private practice locations. Costco, Wal-mart, Sam's Club, glasses.com, and 1800contacts.com do not allow additional discounts.

For Davis Vision complete eyeglasses must be purchased at one time from one provider. For example, if a member purchases only lenses, he or she cannot purchase frames in the same benefit period. The member is not eligible for new vision materials until the next benefit period. Only charges for an initial purchase can be used toward the material allowance. Any unused balance remaining after the initial purchase cannot be banked for future use.
