Blue Shield Bronze 60 PPO 5800/60 PCP + Child Dental

This Summary of Benefits shows the amount you will pay for Covered Services under this Blue Shield of California Plan. It is only a summary and it is included as part of the Evidence of Coverage (EOC).¹ Please read both documents carefully for details.

Medical Provider Network: Full PPO Network

This Plan uses a specific network of Health Care Providers, called the Full PPO provider network. Providers in this network are called Participating Providers. You pay less for Covered Services when you use a Participating Provider than when you use a Non-Participating Provider. You can find Participating Providers in this network at blueshieldca.com.

Pharmacy Network: Rx Ultra

Drug Formulary: Standard Formulary

Calendar Year Deductibles (CYD)²

A Calendar Year Deductible (CYD) is the amount a Member pays each Calendar Year before Blue Shield pays for Covered Services under the Plan. Blue Shield pays for some Covered Services before the Calendar Year Deductible is met, as noted in the Benefits chart below.

		When using a Participating Provider ³	When using any combination of Participating ³ and Non-Participating ⁴ Providers
Calendar Year medical Deductible	Individual coverage	\$5,800	\$11,600
	Family coverage	\$5,800: individual	\$11,600: individual

Calendar Year pharmacy Deductible	Individual coverage	\$450	Not covered
	Family coverage	\$450: individual	Not covered
		\$900: Family	

Calendar Year Out-of-Pocket Maximum⁵

An Out-of-Pocket Maximum is the most a Member will pay for Covered Services each Calendar Year. Any exceptions are listed in the Notes section at the end of this Summary of Benefits.

No Annual or Lifetime Dollar Limit

Under this Plan there is no annual or lifetime dollar limit on the amount Blue Shield will pay for Covered Services.

	When using a Participating Provider ³	When using any combination of Participating ³ or Non-Participating ⁴ Providers
Individual coverage	\$8,850	\$17,700
Family coverage	\$8,850: individual	\$17,700: individual
	\$17,700: Family	\$35,400: Family

First Dollar Coverage:

3 office visits per Calendar Year

This Plan has first dollar coverage (FDC) for 3 office visits with Participating Providers. This means Blue Shield will pay for these Covered Services before you meet any Calendar Year Medical Deductible. These services are identified by a check mark (✓) in the Benefits chart below.

First dollar coverage is available for office visits to a participating Physician, participating Health Care Provider, or Mental Health Service Administrator (MHSA) Participating Provider, for these services:

- Specialist care office visit

After you reach the maximum number of visits under the first dollar coverage benefit, additional office visits in the same Calendar Year are subject to any Calendar Year medical Deductible.

First dollar coverage is provided in addition to covered Preventive Health Services office visits. Covered Preventive Health Services are also paid by Blue Shield before you meet any Calendar Year medical Deductible.

Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

Covered Services not subject to the Calendar Year medical Deductible. Some Covered Services received from Participating Providers are paid by Blue Shield before you meet any Calendar Year medical Deductible. These Covered Services do not have a check mark (✓) next to them in the "CYD applies" column in the Benefits chart above.

- First Dollar Coverage (FDC). This Plan also has first dollar coverage. See the section on first dollar coverage for office visits that are also paid by Blue Shield before you meet any Calendar Year medical Deductible. Covered Services with first dollar coverage are identified with a check mark (✓) in the "FDC applies" column in the Benefits chart above.

This Plan has a separate medical Deductible and pharmacy Deductible.

This Plan has a Participating Provider Calendar Year Deductible as well as a combined Participating Provider and Non-Participating Provider Calendar Year Deductible. This means that any amounts you pay towards your Participating Provider Calendar Year Deductible also count towards your combined Participating and Non-Participating Provider Calendar Year Deductible.

Family coverage has an individual Deductible within the Family Deductible. This means that the Deductible will be met for an individual with Family coverage who meets the individual Deductible prior to the Family meeting the Family Deductible within a Calendar Year. Any amount you have paid toward the individual Deductible will be applied to both the individual Deductible and the Family Deductible. Once the individual Deductible or Family Deductible is reached, cost sharing applies until the Out-of-Pocket Maximum is reached.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount.
-

4 Using Non-Participating Providers:

Non-Participating Providers do not have a contract to provide health care services to Members. When you receive Covered Services from a Non-Participating Provider, you are responsible for:

- the Copayment or Coinsurance (once any Calendar Year Deductible has been met), and
- any charges above the Allowable Amount.

"Allowable Amount" is defined in the EOC. In addition:

- Coinsurance is calculated from the Allowable Amount, which is subject to any stated Benefit maximum.
 - Charges above the Allowable Amount do not count towards the Out-of-Pocket Maximum, and are your responsibility for payment to the provider. This out-of-pocket expense can be significant.
-

5 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowable Amount for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for the following Covered Services after the Calendar Year Out-of-Pocket Maximum is met:

- dialysis center Benefits: dialysis services from a Non-Participating Provider.
- charges for services that are not covered and charges above the Allowable Amount.

Any Deductibles count towards the OOPM. Any amounts you pay that count towards the medical or pharmacy Calendar Year Deductible also count towards the Calendar Year Out-of-Pocket Maximum.

This Plan has a Participating Provider OOPM as well as a combined Participating Provider and Non-Participating Provider OOPM. This means that any amounts you pay towards your Participating Provider OOPM also count towards your combined Participating and Non-Participating Provider OOPM.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within a Calendar Year. Any amount you have paid toward the individual OOPM will be applied to both the individual OOPM and the Family OOPM, except for Out-of-Network pediatric dental services. Cost sharing payments for pediatric dental services made by each individual child for Out-of-Network Covered Services do not accumulate to the Family Out-of-Pocket Maximum.

6 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example,

Notes

you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

7 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

8 Outpatient Prescription Drug Coverage:

Medicare Part D-non-creditable coverage-

This Plan's prescription drug coverage provides less coverage on average than the standard benefit set by the federal government for Medicare Part D (also called non-creditable coverage). It is important to know that generally you may only enroll in a Part D plan when you are initially eligible for Medicare, and from October 15th through December 7th of each subsequent year. You may also be eligible for a special enrollment period with Medicare when you lose creditable coverage. If you do not enroll in Medicare Part D when first eligible, you may be subject to payment of higher Part D premiums when you do enroll at a later date. For more information about this drug coverage, call the Customer Services telephone number on your Member identification card, Monday through Thursday, 8 a.m. to 5 p.m., or Friday 9 a.m. to 5 p.m.

9 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic or Biosimilar Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent or Biosimilar Drug is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent or Biosimilar Drug plus the applicable tier Copayment or Coinsurance of the Brand Drug. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

See the Obtaining outpatient prescription Drugs at a Participating Pharmacy section of the EOC for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Oral Anticancer Drugs. You pay up to \$250 for oral Anticancer Drugs from a Participating Pharmacy, up to a 30-day supply. Oral Anticancer Drugs from a Participating Pharmacy are not subject to any Deductible.

Retail pharmacy. You may receive up to a 90-day supply for maintenance Drugs at a Participating Pharmacy when you pay the applicable Copayment or Coinsurance for each 30-day supply.

Mail service Drugs. You pay the applicable 30-day retail pharmacy Copayment or Coinsurance for a 30-day supply or less from the mail service pharmacy.

10 Pediatric Dental Coverage:

Pediatric dental Benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

This plan is compliant with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of Medical Necessity as defined in the Early Periodic Screening, Diagnosis and Treatment (EPSDT) benefit.

11 Pediatric Vision Coverage:

Pediatric vision Benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Covered Services from Non-Participating Providers. There is no Copayment or Coinsurance up to the listed Allowable Amount. You pay all charges above the Allowable Amount.

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

"Collection frames" are covered with no Member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as "collection," but a comparable selection of frames is maintained.

"Non-collection frames" are covered up to an Allowable Amount of \$150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to \$103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Plans may be modified to ensure compliance with State and Federal requirements.
