This summary of benefits is a brief outline of coverage, designed to help you with the selection process. Unless stated otherwise, the limitations for In- and Out-of-Network services are combined and services received in an office, Ambulatory Surgical Center, or outpatient facility are combined across all outpatient settings. This summary does not reflect each and every benefit, exclusion and limitation which may apply to the coverage. For more details, important limitations and exclusions, please review the Certificate of Insurance or Evidence of Coverage (EOC). If there is a difference between this summary and the Certificate of Insurance or Evidence of Coverage (EOC), the Evidence of Coverage (EOC), will prevail.
